Keep Calm and Boat On!

It's that time of year to schedule your Fall Maintenance. You don't want to row, row, row your boat to get out on the lake.

Contact The Cedar Mills Service Department today to make sure you have a "FALLTASTIC" time on the lake. It's such a beautiful time of the year! It's a GREAT time to haul and pressure wash your bottom, bottom jobs, change zincs, service engines and generators, check batteries, service winches, and rigging inspection.
