Welcome Aboard!

Pelican's Landing is excited to introduce a new management team as we move into an exciting new chapter!

After many years of dedicated service, Chef Chuck Sellars will retire effective August 31st. We are incredibly grateful for his years of hard work and commitment to Pelican's Landing and wish him all the best in his retirement!

Melvin Wafer, Restaurant Manager, brings more than 35 years experience to the Landing Team. Melvin joins us with an impressive background in kitchen management and as an executive chef. He is very familiar with the lake life and enjoys fishing and spending time with his family.

Melvin has chosen Brian Hale as his Chef and Night Kitchen Manager. Brian has been part of the Pelican's Landing family for more than 15 years and has created many of our popular new dishes and specials. Together, Melvin and Brian are excited to bring great food, fresh ideas, and new flavors to the Landing!

Our Front-of-House Assistant Manager, Christina Brooks, brings more than 45 years of experience in the restaurant and hospitality industry. Christina is a tremendous asset to our team. Assisting Christina with the Front of the House are our Leads, Leah Paveloff and Jacob Smith. You can always count on seeing one of their smiling faces ready to greet our guests. Stop by, say hello, and visit with our new management team! We're excited about what's ahead and look forward to serving you with great food, friendly faces, and the waterfront hospitality you love at Pelican's Landing!
